

## Club Membership 2010

Chester Gladiators enjoyed a hugely successful season in 2009 and everybody connected with the club is hoping for an even better campaign in 2010. With the relocation of Crusaders RL to Wrexham, we are now ideally positioned between two Super League clubs and Rugby League is most definitely on the rise!

We are extremely grateful for the support we have received over the last two years and we are very keen to maintain our progress. We hope that you will continue to support our development whether as a player, coach, volunteer or supporter.

The running costs of the club are set to rise quite significantly this year so it has been necessary to review our membership pricing. However, we are keen to give our members as much flexibility as possible and now have a much wider choice of membership options. As always, we remain committed to giving everybody the opportunity to try Rugby League and are happy to discuss a payment instalment plan with our members.

This season promises to be another exciting campaign and we hope you will join us. If you have any questions please call Jim Green on 07512 355396 or email [info@chestergladiators.com](mailto:info@chestergladiators.com).

Sport England is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them.

Whilst it is not compulsory that the following section is completed, doing so will allow sports clubs, national governing bodies of sport and Sport England to identify any issues relating to under-representation of different groups and develop strategies to ensure that all young people have the opportunity in the future to develop and progress in sport.

Sports Equity Monitoring
